The YIELDS Project – Youth Innovative Game-Based Learning for the Development of Sustainability Skills is all about helping young people learn, play, and grow into emotionally intelligent and sustainability-minded citizens of tomorrow.

Funded by the Erasmus+ Programme, YIELDS brings together organizations from Greece, Latvia, and Romania to empower youth and youth workers through innovative learning, emotional awareness, and environmental action.

Our newly launched website is your go-to space for everything YIELDS:

-  Discover our objectives, activities, and results
-  Learn about how Game-Based Learning fosters sustainability and emotional intelligence
-  Stay tuned for the release of our interactive educational game
-  Access resources and toolkits created by our international partners
-  Get the latest updates on events, trainings, and youth exchanges

At the same time, our social media pages are here to keep you connected and inspired.

Follow YIELDS to:

✨ Explore stories from our partner organizations

👤 Watch behind-the-scenes moments from trainings and exchanges

💬 Join discussions on sustainability, empathy, and innovation

📺 Get the first look at our results and tools as they're released

With every post, story, and update, we aim to create a community of young changemakers who care deeply about both the planet and the people living on it. 🌱❤️

So, are you ready to join us on this journey?
